Memories...

PTS ~ you have made my four years at Penn absolutely fantastic. I love you guys <3 **Tiffany** ~ Thank you for putting up with my craziness. I can't believe it's been four years since we first joined PTS, but I'm so glad for every second of it =) **Rich** ~ What shampoo do you use? Haha..seriously, you were always there when I was having a spastic moment. Thank you for being a calming force in my life. **Mike** ~ I'm sad I never made it out to one of your parties. Every time I hear some story like "the guy drank highlighter fluid" or "there's a hole in the wall," I think, "I could've been that person!" Thanks for being such a handsome face for PTS =) **Jon W.** ~ I can't imagine what PTS would have been like without you. If PTS were fried rice, you'd be all the flavor. Thanks for always putting out crazy ideas, spending lots of PTS money, and making PTS so fabulous. I will miss you dearly =) **Patric** ~ I think PTS was incredibly lucky snatching up you as our Financial VP. Who knew when we elected you, we'd be getting the hardest-working, always volunteering, enthusiastic about everything PTS, jolly all around nice guy? I know you'll lead PTS to new heights, and I can't wait to hear all about it next year. Just one thing, alumni events..cough cough..=) **CHARLES!!** With you abroad last Fall, it was like PTS without its sunshine. You really are superhuman, and also a super nice guy. Thank you for lowering all of our self-esteems =P Remember to sleep sometimes and have fun all the time. YAY for your senior year! Will miss you lots. **Julie** ~ You are possibly the most helpful person ever. I bet you didn't know what you signed up for when you were elected in March, huh? Haha..sorry for working you so hard. Thank you for being so responsive to my sometimes desperate phone calls. I'm really glad you're on board =) **Theresa** ~ You are so funny. You always kept PTS cheery and fun. I will miss your awesome cakes and your overall awesomeness. Good luck in law school..much <3 **Jason** ~ You are the most conservative person I know. J/K! I will miss our late night gossip fests, dinner dates, Facebook stalking, partaying the night away, looking so good in pictures together, and of course, your fabulous self. I expect visits and to hear lots more scandalous JHan stories. LOVE U! **Elizabeth** ~ You could take toothpaste and a toothbrush and make a beautiful work of art. I wish I were as talented as you! **Mindy** ~ I always admire how calm and composed you are. Sometimes when I talk to you, I feel extremely foolish with my crazy antics. Thank you for being the adult in our relationship =) **Jonathan L.** ~ Master of technology!! Thank you for figuring out everything I could never do. Lol..at least we got that Taiwanese recording out at the end! **Monica** ~ I think there may have been two times when I went into PAACH and you weren't there. I love how involved you are in the APA community, and I know you will be a great leader in PTS next year. Plus, you always look beautiful! =) **Edward** ~ So much heart goes out to you!! I hope you are very impressed with yourself mister. You wrote and directed an incredibly funny and successful play. You are a much better basketball player than I'll ever be. And you're a nice guy! Is there anything you don't do?! I look forward to an awesome play next year to which all the alumni will be invited and given special seating =) **Christine** ~ It's incredible how knowledgeable you are about Taiwanese pop culture. I think you should be a Jay Chou groupie already =P Hopefully before the year ends, we can get one last round of karaoke, just for you! **Rita** ~ I think I need to adapt this whole exercise thing you got going on. You have so much energy, brains, beauty, acting chops..you're my idol =) **Winnie** ~ LGR buddies!! I'm glad we got to flyer together lots throughout the year. You are such a nice and dependable person. I admire how you always have your act together and manage to keep the crazies (me) sane! Yay superfreshman! Much <3 **Audrey** ~ tee hee. I love you!**James** ~ I wish I were as cool as you =) **Edith** ~ You are so fun and fantastic! I'm sad you will be going abroad next Fall, but I do hope PTS gets lots of face time with you in the spring! **Melody** ~ I loved seeing you at PTS events. You should join board..really! No pressure or anything =) Thanks for helping out so much this year! **Stephanie** ~ You are one of the wisest people I know, and when you give advice, you sound so sure and I can't help but believe you and feel better =) You are a really good friend. Thank you for taking me in when I was homeless last summer and making illegal copies for PTS. I'm going to miss you so much! Keep in touch lady!! **Jay** ~ All right Mr. Atlantic City-Philly D-Tony's da man-cool guy. We better hang out next year, so I can school you in poker some more =)**Eric Tsaor**~ You always make me smile when I see you on the walk. I think it's the awkward wave. You haven't got a mean bone in your body. I'm hoping someday we'll discover a flaw in you so that we can determine you're human (perhaps it's hitting the bottle =P). Thanks for being so nice and fun. I'm going to miss you lots <3
