Cosponsored locally with the Philadelphia Section, the Chemical Heritage Foundation, and Air Products and Chemicals, Inc.

presents

The WCC 2008 Joint Reception and Committee Open Meeting *“Celebrating Women in Chemistry”*

Saturday August 16, 2008

From 5:00pm to 6:30pm at the

Philadelphia Marriott Downtown

Room: Franklin 4/5

1201 Market Street

Philadelphia, PA 19107

Highlights of this event include:

- WCC Chair, Amber Hinkle, will provide a brief update on the status of WCC programs
- The Philadelphia Section will highlight current events to honor the memory of Deborah E. Kilmartin, past Chair.
- Chemical Heritage Foundation to give a presentation on their new Oral History Project, "Women in Chemistry"
- Poster display and discussion of innovative programs

Please join us to share good food and non-alcoholic beverages. This meeting is the perfect opportunity to network with fellow scientists from around the country.

All women scientists, engineers and guests are invited to attend to see posters and participate in discussions of innovative programs.
