APPLICATION DEADLINE

Application deadline for permanent positions in offices worldwide:
September, 21 , 2008.

Please visit our website for more information and to apply:
www.apd.mckinsey.com

If you will be finished with your studies in 2009 you should apply for a permanent position by the deadline above. Medical interns, residents and fellows finishing in 2010 may also apply now, for a permanent position, to receive an early decision. Those finishing studies in 2010 may apply for an internship by December 7, 2008. All others finishing their program at a later date are welcome to attend and learn more for the future. If you will not be applying now, you may register at the same website; registrants will receive e-mails about upcoming events and opportunities.

A CAREER WITH McKINSEY & COMPANY

McKinsey & Company is a management consulting firm that advises senior management of the world's leading organizations on issues of strategy,

organization, technology and operations. We are always on the lookout for high caliber individuals to help us fulfill our mission: 1) to help our clients make positive, lasting and substantial improvements to their performance, and 2) to build a great firm that is able to attract, develop, excite and retain exceptional people.

People join us from a wide range of disciplines, and you'll find that we're more interested in the quality of your achievements than your particular area of studies. What is most important to us is evidence of success in your chosen field. Working with us, you will gain exposure to a diverse range of industry sectors and business issues that will not only enhance your career options, but also accelerate the pace of your personal development. In addition, you'll be a member of a core team working directly with senior client executives to address the defining business issues of our time.

So, if you like the idea of a career alternative that will stimulate and challenge the very brightest minds together with the opportunity to work with highly motivated colleagues in a supportive, team-based environment, please join us for our presentation.

Also, please visit our website at www.apd.mckinsey.com to learn more about McKinsey & Company. The website features profiles of consultants with backgrounds similar to your own, information about selection criteria, application tips, and the on-line application form.

Please feel free to forward this e-mail to graduate students who might be interested in learning about career opportunities with McKinsey & Company.
